EBOLA VIRUS DISEASE - LESSONS LEARNED FOR THE UK GOVERNMENT
DR OLIVER JOHNSON, KING'S HEALTH PARTNERS
THE GATHERING STORM: MARCH TO JULY 2014
"When the epidemic started, it was a little underestimated, so that the states took a while to really prepare themselves," said Pierre Formenty, a WHO specialist.
1,000 PATIENTS OF WHICH 750+ WERE EVD +VE
THE EIGHT HOUR DRIVE TO KAILAHUN...
MARKET FAILURE

"The military are the only body that can be deployed in the numbers needed now and that can organise things fast." Joanne Liu, MSF President
