COUNCIL REPORT FOR THE YEAR ENDED 31 DECEMBER 2010

REPORT

The Council¹ presents its thirty-second annual report and audited financial statements for the year ended 31 December, 2010. The legal and administrative information set out on page 1 forms part of this Report. The financial statements have been prepared to current statutory requirements and in accordance with the Memorandum and Articles of Association and the Accounting and Reporting by Charities: Statement of Recommended Practice (SORP 2005).

The objects of the charitable company are:

- (a) The promotion and development of science and technology and to bring about the greater efficiency of the industry of the United Kingdom; and
- (b) The promotion of research in furtherance of the above object and the publication of the useful results of any such research.

In order to achieve the above objects, the Foundation's main activity is the organising of debates in a neutral forum for representatives of both Houses of Parliament, officials from Whitehall and the devolved administrations, business leaders, academics and others to debate policy issues with a science, engineering, technological or medical element. Debate reports, a journal and web site are used to communicate the content of the debates to as wide a range of people as possible. Also the Foundation publishes guidelines and newsletters to assist learned and professional societies to improve their administrative efficiency.

REVIEW OF ACTIVITIES

Dinner/discussions, round-table debates and a lecture were organised on a wide range of themes including the future funding for science and innovation, changing behaviour to energy consumption, the Hauser review of Technology Innovation Centres, the future strategy for high speed rail, web science and science advice and risk. The Foundation once again visited Scotland and held a dinner/discussion and round table discussion jointly with the Royal Society of Edinburgh on "Digital Scotland". The highlight of the year was a meeting with Neil Armstrong, Gene Cernan and Jim Lovell – the first and last men on the moon and the captain of Apollo 13. Details of all the meetings are on the Foundation's web site - www.foundation.org.uk.

Two-page summaries of each meeting were circulated to those who attended and placed on the Foundation's web site. Most of these summaries were written by Sir Geoffrey Chipperfield KCB to whom we are most grateful. Papers by the speakers at selected events were published in the Foundation's journal, *FST Journal*. We are most grateful to Sir John Enderby for editing the journal.

The Foundation helped learned and professional societies through the organisation of a luncheon at the House of Lords in October at which Jonathan Bamford, Head of Strategic Liaison, Office of the Information Commissioner spoke. Newsletters were published providing an awareness service to societies of changes to legislation, accounting practice and charity regulation. A number of guidance notes were also published.

The Foundation is very grateful to The British Academy for allowing the Foundation to occupy offices in 10 Carlton House Terrace.

FINANCIAL REVIEW

The Foundation raises funds from grant giving bodies, sponsors of events and from subscribing Associate Members and Accredited and Affiliated Learned Society members. Council is most grateful to the many companies, organisations and departments who support the work of the Foundation. Donations and sponsorship totalling £249,869 (2009: £322,881) were made to the Foundation from the Department for Business, Innovation and Skills, The Royal Society, The Royal Academy of Engineering, The British Academy, The Department for Transport, Department for Environment, Food and Rural Affairs, The Wellcome Trust, Lloyd's Register Educational Trust, the Research Councils, The Michael John Trust, the Comino Foundation and others. Subscriptions totalled £109,701 (2009: £74,841) and income from Learned Society activities was £3,319 (2009: £4,019).

The net of incoming and outgoing resources of the Foundation at the year-end was a surplus of £9,366 (2009 surplus of £53,507) before an unrealised gain in equity investments of £11,055. The total reserves of the Foundation at the end of the financial year increased from £557,639 to £578,060. The ten-year trend is shown in the table on the next page.

¹ Throughout this document the term Council refers to the Trustees and Directors of the Foundation for Science and Technology

CORPORATE STATUS

The Foundation was incorporated on 31st August, 1977 as a private Company Limited by Guarantee (Registered in England Number 01327814). Authorisation to dispense with the word "Limited" was granted on 1st February, 1978. The Foundation for Science and Technology is a Registered Charity (Registered Charity Number 274727).

STATEMENT OF COUNCIL'S RESPONSIBILITIES

The Council (who are also directors of The Foundation for Science and Technology for the purposes of company law) are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the Council to prepare financial statements for each financial year which give a true and fair view of the state of the affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the Council is required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities Statement of Recommended Practice (SORP);
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The Council is responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. It is also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the Council is aware:

- there is no relevant audit information of which the charitable company's auditor is unaware; and
- the Council has taken all steps that it ought to have taken to make itself aware of any relevant audit information and to establish that the auditor is aware of that information.

The Council is responsible for the maintenance and integrity of the corporate and financial information included on the charity's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

COUNCIL REPORT FOR THE YEAR ENDED 31 DECEMBER 2010

GOVERNANCE

The Foundation is governed by a Council that meets three times a year to oversee the work of the charity and delegate day-to-day management of the Foundation to the Chief Executive, Dr Dougal Goodman. A Finance and General Purposes Committee also meets three times a year to review progress on the implementation of the strategy agreed with Dr Goodman and to monitor financial matters. During the year, when directors were appointed to the Council as part of their induction they were informed of the activities of the Foundation and the working procedure of the Council as well as provided with relevant strategy papers and financial statements.

PUBLIC BENEFIT

The Foundation has considered the guidance published on public benefit duties by the Charities Commission and considers that it has delivered public benefit through the aims of the Foundation which are delivered through organising debates about key policy issues while maintaining a strictly neutral platform and by assisting the administrators of learned and professional societies who through their activities also deliver public benefit. The meeting summaries and journal reports on debates hosted by the Foundation are widely distributed and freely available to the public on the web site and provide valuable educational material.

Council consider that the activities summarised in section 1 meet the public benefit test set out in the Charities Commission guidance.

INVESTMENT POWERS AND POLICY

Under the Memorandum and Articles of Association, the Foundation has the power to make any investment that the Council see fit and operates to an agreed Investment Policy. The Investment Policy is to maintain a low risk investment strategy for the portfolio of investments held.

As part of the investment policy, the trustees have laid down a series of guidelines which were reviewed and revised at the December 2008 Council meeting. These are as follows:

- (a) The maximum sum invested in any one commercial bank or building society should not exceed 20% of the Foundation's funds.
- (b) At least £150,000 should be invested in deposits with building societies, banks or government securities, to be reviewed in line with the objective of keeping total cash and liquid funds (including deposits and securities) which can cover twelve months of total costs including direct event expenditure, journal production costs, salaries, accommodation, journal and administration costs.
- (c) Working capital in immediate access accounts should not normally exceed £100,000.
- (d) Remaining funds, but not more than normally 50% of total funds, may be invested in Common Investment Funds where the balance as between UK/World, sectors and specific funds should be regularly reviewed by the Finance and General Purposes Committee.

RESERVE POLICY

The Council reviewed the financial position of the Foundation during the year and judged that the level of reserves is sufficient to underpin the Members' guarantee and to enable the Foundation to commit to its forward programme with confidence, usually before sponsorship or other sources have been arranged or assured and to organise topical events at short notice. Adequate financial resources ensure that the Foundation remains independent of, and not reliant on, the financial support of any one

organisation or interest. Independence is crucial to the fulfilment of the Foundation's charitable objectives. On the 10th December, 2009, the Council considered the Reserves Policy in conjunction with the investment policy and, in so doing, confirmed the four main purposes of their financial reserves. These are to:

- (a) Ensure the Foundation can cover administrative and operating costs;
- (b) Assure the Foundation's position of independence, freedom and responsiveness of action;
- (c) Provide financial headroom for the Foundation to develop its activities for both future and current members; and
- (d) Provide reassurance to suppliers.

COUNCIL REPORT FOR THE YEAR ENDED 31 DECEMBER 2010

In order to satisfy the above purposes, the Trustees agreed in December 2008 the level of funds held should be at least equal to twelve months total expenditure. At the December 2009 and in December 2010 Council meetings, it was agreed that the Foundation should aim to keep a special reserve of some £200,000 over and above the £350,000 minimum reserve target so as to cover anticipated difficulties in funding over the next few years.

RISK MANAGEMENT

The Council advised by the Finance and General Purposes Committee, regularly reviews the risks to which the Foundation is exposed and systems have been established to mitigate those risks and their possible impacts identified and strategies developed to eliminate, manage, mitigate or transfer the risk. These procedures are periodically reviewed to ensure that they still meet the needs of the Foundation.

VICE-PRESIDENTS

The following served as Vice-Presidents during the year ended 31° December, 2010:

The Lord Flowers FRS	Vice President (not a director) Sadly Lord Flowers died during the year
The Rt Hon the Earl of Shannon	Vice President (not a director)

The Honorary Officers are The Rt Hon the Lord Jenkin of Roding, President, The Earl of Selborne GBE FRS, Chairman, Dr Robert Hawley CBE FRSE FREng, Deputy Chairman, Mr Tony Quigley, Honorary Treasurer and Mr Patrick McHugh, Honorary Secretary. In accordance with Article 35 of the Constitution, the Honorary Officers retire each year and offer themselves for reappointment by the Council.

FUTURE DEVELOPMENTS

The Council intends the Foundation to continue to pursue its objectives first to provide a neutral platform for debate by Members of both Houses of Parliament, officials from Whitehall and devolved administrations, industrialists, academics and others about policy issues of importance and relevance to society involving science, engineering, technology and medicine. Issues raised during the debates will be published by the Foundation in a report of the meeting, in *FST Journal* and on the Foundation web site. Secondly, the Foundation will provide guidance and support to Learned Society members to improve the efficiency of their administration and reduce their risk exposures. The Foundation will continue to invite companies and government bodies to join as Associate Members and will strive to maintain a balance between the interest, size and nature of the organisations represented.

By Order of the Council

The Earl of Selborne GBE FRS Chairman Date_

INDEPENDENT EXAMINER'S REPORT TO THE COUNCIL FOR THE YEAR ENDED 31 DECEMBER 2010

I report on the accounts of the Charity for the year ended 31st December 2010, which are set out on pages 8 to 16.

This report is made solely to the charity's Council, as a body, in accordance with regulations made under Section 43 of the Charities Act 1993. My examination has been undertaken for no purpose other than to draw to the attention of the charity's Council those matters which I am required to include in an independent examiners' report addressed to them. To the fullest extent permitted by law, I do not accept or assume responsibility to any party other than the charity and charity's Council as a body, for my examination, for this report, or for the opinions I have formed.

Respective Responsibilities of the Council and the Independent Examiner

The Council (who are also directors of the company for the purposes of company law) are responsible for the preparation of the accounts. The Council considers that an audit is not required for this year under section 43(2) of the Charities Act 1993 (the 1993 Act) and that an independent examination is needed. The charity's gross income exceeded £250,000 and I am qualified to undertake an examination by being a member of the Institute of Chartered Accountants in England and Wales.

Having satisfied myself that the charity is not subject to audit under company law and ineligible for independent examination, it is my responsibility to:

- examine the accounts under section 43 of the 1993 Act;
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 43(7)(b) of the 1993 Act; and
- to state whether particular matters have come to my attention.

Basis of Independent Examiner's Report

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as the Council concerning any such matters. The procedures undertaken do not provide al the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent Examiner's Statement

In connection with my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that in any material respect the requirements:
 - to keep accounting records in accordance with section 386 of the Companies Act 2006; and
 - to prepare accounts which accord with the accounting records, comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities

have not been met; or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Iveco House, Station Road Watford, Hertfordshire WD17 1DL

These financial statements have been prepared in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small companies and in acordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

For the year ended 31 December, 2010 the company was entitled to exemption under section 477 of the Companies Act 2006. No members have required the company to obtain an audit of its accounts for the year in question in accordance with section 476 of the Companies Act 2006.

The directors acknowledge their responsibility for:

i) Ensuring the company keeps accounting records which comply with section 386; and

ii) Preparing accounts which give a true and fair view of the state of affairs of the company as at the end of the financial year and of its profit or loss for the financial year in accordance with section 393, and which otherwise comply with the requirements of the Companies Act 2006 relating to accounts, so far as applicable to the company.

Approved by the Council on 1st March, 2011 and authorised for issue by:

The Earl of Selborne GBE FRS - Chairman

Mr A L C Quigley - Honorary Treasurer

The notes on pages 10 to 14 form part of the financial statements.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2010

1 Accounting Policies

1.1 Basis of Accounting

These financial statements have been prepared under the historical cost convention and in accordance with the provision of the Companies Act 2006, the revised Statement of Recommended Practice (SORP 2005) "Accounting and Reporting by Charities" and the Financial Reporting Standard for Smaller Entities (effective April 2008).

1.2 Costs

The costs of generating funds are those costs of seeking potential funders and applying for funding.

Support costs are those costs incurred in support of the charitable objectives. These have been allocated to the charitable activities, the costs of generating funds and governance costs on a basis that fairly reflects the true use of those resource within the organisation.

Governance costs are those incurred in the governance of the charity and are primarily associated with the constitutional and statutory requirements.

1.3 Depreciation of Tangible Assets

Depreciation is provided on tangible assets at rates calculated to write off the cost, less estimated residual value of each asset over its expected useful life. For furniture, furnishings and office equipment a depreciation figure of 20% to 25% per annumon cost is used.

1.4 Investment Assets and Income

Investment assets have been included at the closing mid-market value at the balance sheet date. Any gain or loss on revaluation is taken into the Statement of Financial Activities.

1.5 Subscriptions

Subscriptions are included in income when they are received.

1.6 Conferences and Public Lectures

Sponsorships received through the Gift Aid Scheme are inclusive of income tax recoverable.

1.7 Operating Leases

Rentals paid under operating leases are charged to the Income and Expenditure Account as incurred.

1.8 Donations and Grants Income

All donations are included in income when they are received. Donations under deeds of covenant together with the associated income tax recovery are recognised as income upon receipt of the donation.

1.9 Apportionment of Expenditure

The Statement of Financial Activities, where possible, reflects the proportion of expenditure relating to generating funds, charitable activities and governance costs. However, certain support costs are allocated to each cost area on a basis that fairly reflects the true use of that resource within the organisation. The basis of apportionment is 15%:80%:5% respectively.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2010

1 Accounting Policies (Continued)

1.10 **Fund Accounting**

Unrestricted funds are available for use at the discretion of the Council in furtherance of the general objectives of the charity.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors. The aim and use of each restricted fund is set out in note 10 to the financial statements.

1.11 Investments

Investments are stated at market value. Realised and unrealised gains and losses on investments are dealt with in the Statement of Financial Activities. Investment income including the associated income tax recoverable is credited to income on a receivable basis.

2	Net (Outgoing)/Incoming Resources	2010 £	2009 £
	This is stated after charging:		~
	Independent examiner's fee Depreciation on tangible fixed assets	2,800 863	3,675 875
	Depreciation on tangible fixed assets	805	875

3 **Transactions with Council**

During the year no Council member received reimbursement for travel and subsistence expenses (2009 - £175). None of the Council members received any emoluments for their services during the year.

4 Total Resources Expended

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2010

9b Deferred Income	2010	2009
Deferred income brought forward Released to income in year	-	29,000 (29,000)
Deferred income carried forward		

10 Restricted Funds

	Brought	Transfer		
Fund	Forward	Net Income	between funds	2010
	£	£	£	£
Harold Silman Fund	16,421	84	(647)	15,858

The Harold Silman Fund was established in 1992 to provide support, especially to those from outside London, in travelling to the Foundation's events.

The transfer out of the Fund relates to the re-imbursement of administrative costs to the General Fund.

11 Liability of Members

The company is limited by guarantee and therefore has no share capital. Each member's guarantee is limited to $\pounds 1$.
